

Christmas Treat Box Instruction Sheet

MATERIALS:

- Good quality 8.5" x 11" sheets or standard A4 size white stock card (suggested 200gsm)
- Glue or double sided sticky tape
- Scissors / craft knife
- Ribbon

INSTRUCTIONS:

1. Cracker Box

STEP 1. Print the file on to good quality white card stock.

STEP 2.

If required, score along the fold lines for easier folding.

STEP 3.

Using a craft knife or scissors carefully cut out the outline shape of the cracker box.

STEP 4.

Next fold along all of the fold lines (black dotted lines).

STEP 5. Then cut out each of the white diamond section which will create the concaved sections on the sides of the boxes (if you do at this stage they are easier to cut if you have them folded in half).

STEP 6. Glue or tape the "SIDE PANEL" panel to the "BACK" panel making the box shape by applying glue or tape on the flaps marked "TAPE FLAP" on the SIDE panel and carefully attaching to the reverse of the "BACK" panel.

STEP 7. Finally tie a ribbon around the concaved sections on the sides to create the cracker shape.

2. Domed Treat Box

STEP 1. Print the file on to good quality white card stock.

STEP 2. If required, score along the fold lines for easier folding.

STEP 3. Using a craft knife or scissors carefully cut out the outline shape of the favor box and cut out the small white rectangle from both side panels.

STEP 4. Carefully fold backwards along all of the fold lines (black lines) on the base to create the side panels.

STEP 5. First fold back the Side 1 panels and then the side 2 panels and push through the handles on the side 1 panel through the slits cut out of the side 2 panels to securely fasten it.

NOW YOUR TREAT BOXES ARE READY – HAVE LOTS OF FUN!
